Note: \* ELCG 'vote' is in regard to electing the Chair and the Vice Chair of the ELCG. As per the ELCG ToR, updated in September 2005, 'voting' members are representatives of development partners supporting education programmes and whose organizations are members of the main Local Consultative Group (LCG). These include bilateral donors, international financial institutions and multilateral agencies. In addition, voting members include multilateral agencies (e.g., UNESCO) with a mandate related to education and training but who may not be members of the main LCG.

\*\* CAMPE is the apex organization of 750 NGOS working in education in Bangladesh; Plan International has been elected by INGOs to represent International NGOs working in the education sector for a two year term; Save the Children USA has been elected by Alliance members to represent the Save the Children Alliance for a two year term.
